**REPLY BRIEF**

MS Appeal Brief - Patents  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is a Reply Brief in answer to the Examiner's Answer dated October 6, 2005.

First, Applicants wish to establish for the record the situation regarding the mailing of the Examiner's Answer. Applicants received an Examiner's Answer originally that was dated August 25, 2004. Apparently, this Examiner's Answer had been sent to the wrong Law Firm and was returned by that Firm to the Patent Office. However, that Law Firm also forwarded a copy to Applicants' attorney at the correct address. No Reply Brief was filed in answer to the Examiner's Answer of August 25, 2004. A Second Examiner's Answer which appears to be identical to the First was then mailed on October 6, 2005. Applicants are submitting the present Reply Brief by the apparent due date of December 6, 2005. Thus, Applicants understand that the present Examiner's Answer has been resubmitted to Applicant merely because of the error in the Address. Applicants' attorney contacted Examiner Awad on October 18, 2005 to verify these facts.

Applicants wish to reply to one point of the Examiner found on page 8 of the Examiner's Answer. The Examiner apparently is taking the position that if a second signal is applied starting at the end of the frame and extending into a second frame, this qualifies as being during the ending of the first frame. Applicants submit that this violates the clear meaning of the language. Applicants submit that the term "during the ending of the frame" means entirely within the frame and during the last part of that frame. It does not mean a signal which occurs in the following frame. Applicants submit the Examiner is incorrect in his understanding of this term.

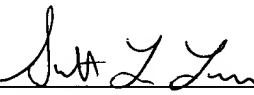

### CONCLUSION

For the reason recited above and for the reasons recited in the original Appeal Brief, Applicants submit that the various rejections of the Examiner are in error. Accordingly, it is respectfully requested the Examiner reverse the rejections of claims 1-8, 11-14, 16 and 18.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future Replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

**Dated:** DEC. 2, 2005
